FOLD

Instructions:

1. Cut out the cover insert, on page 1, around the outer
   perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer
   perimeter.
5. The right-most long narrow title "tab", on the tray
   insert, is for CD case with a transparent tray.
   Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree
   angle, away from the main tray cover portion. If the
   right-most "tab" is retained for a transparent tray, fold
   that "tab" 90 degrees again, away from the title
   "tab" next to it. The text should appear around the
   exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat
   against the case.

10. Please appropriately discard this portion and the scrap bits
    of paper.

The Avenger

Herbert Wrayson, a bachelor returns to his flat one night to find a young lady rifling his desk. He questions her and finds she thought she was in the apartment of his neighbor, Morris Barnes, who lives above him. While he is on the telephone, she quietly slips out of his flat and heads to Barnes' abode. A few hours later, she is once again at his door – this time looking scared and faint. She asks Wrayson to escort her downstairs as the hallway is unlit. As they emerge, a hansom sits at the doorway with Morris Barnes in it. But, they discover that Barnes has been strangled. Wrayson soon learn s that the young lady is the estranged older daughter of a club acquaintance, retired Colonel Fitzmaurice. He also discovers that he has fallen in love with her. The big question however, has he fallen for a murderess? How can he discover the truth? In typical Oppenheim style, this "whodunit" weaves a tangled web and one must wait until the end to discover the surprising truth. (Summary by Tom Weiss)
